Taught by Dr. Glenn M. Cope

Tonkawa Church of Christ, Fellowship Room

300 N. Public St. (Public St at North Ave.), Tonkawa, OK 74653

For classes taught at other locations see the class posting

Class Information

1. Unless otherwise stated, the class begins promptly at the posted time. Please arrive a few minutes early.
2. You will be furnished class notes or booklet, but you will need a pen or pencil to take additional notes, a highlighter (color of your choice), and a pencil with a good eraser for the exam. Check with the class description for additional materials.
3. Coffee will be provided and water is available, but if you wish something else feel free to bring your own drinks. There is a refrigerator to keep them cold and a microwave to heat them up if necessary.

For longer classes and shooting at the range:

4. Depending on the length of the class, we will take a 30-minute break for lunch. If everyone brings a sandwich (or lunch items) then that will save time and we can go out to the range sooner. You may keep your lunch in our refrigerator.
5. Bring your handgun in a case or range bag—but DO NOT BRING AMMUNITION INTO THE CLASSROOM. The instructor will inspect your handgun during the lunch break. Store your ammunition separately until we arrive at the range and you are instructed to bring it out.
6. Since we will be using an outdoor firing range, the instructor may reschedule the range time due to inclement weather or rain. If you need to schedule a separate range time be sure to visit with the instructor prior to class.
7. If you have not fired a handgun before or you feel you need additional coaching, check with the instructor as to the schedule for coaching or classes. Please not some classes have prerequisites!
8. Additional classes are offered for those who wish to gain a better mastery of their firearm.

Class Regulations for Shooting Courses

1. Required Range Equipment:
 - a. Eye Protection — Safety glasses, prescription or types purchased at sporting goods store, etc.
 - b. Ear Protection — Ear muffs designed for shooting or the foam/sponge ear plugs.
